2017 Topeka Homebuyer Class Schedule

HOMEBUYER 101

OPEN TO THE PUBLIC

This **four-hour workshop** provides education on how to purchase a home. Certificates that meet the requirements of various mortgage loan assisted grants are awarded at the completion of the workshop. Qualified instructors cover budgeting, insurance, credit scores, how to avoid loan scams known as “predatory lending” and loan options. Information about required inspections and the maintenance of property, before and after buying, are also discussed.
